Remembering Ursula Roberts *researched by Jackie Poole*

Ursula Roberts was a trance medium, healer, lecturer and author of many pamphlets and books. In her autobiography, *‘Living in Two Worlds’ (1984)*, she doesn’t mention her birth date other than it was during the first world war. She didn’t view it as important information! She described herself and her background as, *“A nobody from nowhere knowing nothing,”* whose early years were spent in Great Ormand Street Children’s Hospital and later her education began as she learned to walk on crutches, supporting her weak legs after leaving hospital. However, she says at aged eight the sheer beauty of the world burst unto her unprepared sight in Folkestone on the Kentish coast. Ursula didn’t write too much regarding her childhood and viewed feeling resentful as a waste of time. She had acceptance for what was. Although Ursula’s story is humble and healing, she liked to see the funny side of things; she found it humorous when people didn’t differentiate between herself and her guides’ and their names, for instance, while working in the Healing Clinic at the SAGB, some patients would enter and ask to see, R.R! (Rushing Water) or she would be called, Ramadahn.

Ursula Robert’s anniversary of passing to Spirit is the 27th October, 1996 and was acknowledged during a trance lecture by ‘Chan’ channelled through, Mrs Ivy Northage that was held and recorded at the SAGB in that October 1996’ and has been transcribed into text as follows, Mrs Ivy Northage speaks:

“Good evening- friends. Welcome to the SAGB unto tonight’s October 96 Chan lecture. Before we start tonight’s lecture however, it is my duty to tell you about the passing to spirit on Saturday of Mrs Ursula Roberts, the channel for her spirit guide Ramadahn. Ursula, has dedicated her whole life to this partnership with her spirit guide, in order to enlighten us and to help us all; those who listen to Ramadahn, to grow in understanding of the Higher truth.

Ursula was a wonderful person and a dedicated worker for spirit. She served the SAGB for many years as well as churches and organizations throughout the country and abroad. She was a fellow of the, ‘National Federation of Spiritual Healers,’ and helped many people. She was widely known through her work as Ramadahn. She was also greatly loved as a beautiful person. I valued her friendship tremendously and have like many people learnt so much from Ramadahn’s teachings, and I felt privileged to chair for her on occasions. Chan and Ramadahn belong to a group of teachers from the higher dimensions whose teachings are from a very high order indeed. As a mark of our love and thanks for Ursula’s life could I ask you to physically stand up if you’re able to do so and observe a minute’s silence, as a tribute to Ursula please. Thank you...”

And after Mrs Northage’s attunement Chan spoke.

“Ladies and Gentlemen and friends, before I commence my own lecture or discourse with you this evening. I would like you to know that your colleague and dear friend, Ursula, has received a glorious home coming. She has been surrounded by love, by light, by appreciative minds and spirits, totally unknown to her whom she has been a means of assisting upon their pathway. So do not in any way feel grief or loss because her manifestation of auric love has remained behind her and will be a memorial to her, as long as those her remember and can appreciate all she can offer, can so do rejoice with her then, know that all her pain and suffering is behind her, and she goes now to receive that glorious reward that her dedicated life has so afforded her in every particular in every respect.”

“It is extraordinary how in my life’s experience the axiom, ‘When the pupil is ready the master appears, has been proved as true’. The right influences do appear in a person’s life, once their desire is directed towards the attainment of spiritual truths.” Ursula Roberts.

Getting to the SAGB

Getting to the SAGB has become a lot easier for those of us north of the river. At present I have to catch the Northern Line, change to the Victoria Line to Victoria Station and then catch a train to Battersea Park Station.

As of the end of September 2021 the Northern Line is running with four trains an hour on week-ends. This will mean, for me at least, that I can travel on the Northern Line from my home to Battersea Park on the same train. Thereafter it will be a short seven minute walk to the SAGB.

Now the extension Has opened there will be an initial peak of six trains per hour, increasing to 12 trains per hour During off-peak times there will be five trains per hour, doubling to 10

Helping to get to the SAGB (after all that is what counts, isn't it) it will help regenerate the Vauxhall, Nine Elms and Battersea areas by supporting new jobs, businesses and homes.

Martin Thompson SAGB Healer and Clinic Leader

SEVEN PRINCIPLES OF THE SAGB

We believe in an Infinite Intelligence,
Who governs all.

We believe that personal identity and all sentient forms
of life survive physical death.

We believe that continuous existence and eternal progress
occur for all in the Hereafter.

We believe in communion with spiritual realms.

We believe that all humanity is spiritually linked.

We believe that in the Hereafter, all must account for
their actions on earth and will judge themselves accordingly.

We believe that all are responsible for
the way they conduct their earthly lives.

OUR PHILOSOPHY AND PURPOSE

The primary purpose of the Association is to offer evidence, through
mediumship, of the continuation of the personality after physical
death and to relieve suffering through spiritual healing.

The Healing Hymn Gracious Spirit

Gracious Spirit, of thy goodness
Hear our anxious prayer
Take our loved ones who are suffering
'Neath thy tender care
Loving Father hear us, hear us

Gracious Spirit may thy presence
Shed a Healing Ray
Turning all their nights of darkness
Into glorious day
Loving Father hear us, hear us

Gracious Spirit, should'st thou claim them
Be their Light and Guide
Lead them to the heavenly kingdom
Safely by thy side
Loving father hear us, hear us
