Cost - £10.00 non members £8.00 members

Building and holding our energy is key within attunement. We raise our energy to be 'in the power'. For mediumship we sense the energy of our communicator.

In Mediumship and Healing, the blend of energy creates the necessary link held then between our contact and recipient and with us as healer with our patient. When chairing we need to be aware of this dynamic process too.

Are you developing your mediumship, working as a healer or chairing for a service or demonstration then this circle is for you to refine and build this energy to your full potential. Understanding how energy works and its importance for us as individuals working with The World of Spirit, will build your confidence and elevate your service to Spirit. Join me at the SAGB for this Circle: Understanding Energy.

# Remembering Bertha Harris

*researched by Jackie Poole*

Bertha Harris, formerly Hughes was born in Chester, England around the turn of the 20th century. (1900 – 1981) It is known that as a child she experienced her first spirit contacts and had reported seeing auras as in 'nice lights around people' and later, when she was 17 years- old, she saw the spirit of her younger brother Cyril who had passed over. She had claimed that he had appeared to her, and so, not everyone around her believing this; she attended a spiritualist meeting to find out what was happening to her, and furthermore, to be in a more accepting community. As a result of her pathway, she continued to develop mediumship and sat in spiritualist circles. And six years later in 1923:

She was invited by Ernest W Oaten to Manchester to demonstrate mediumship. Ernest W Oaten was a prominent British Sspiritualist and the president of the international Federation of spiritualists and he also edited the spiritualist journal 'Two Worlds'. He was also a medium and believed that his leading articles were inspired by the spirit of Emma Hardinge Britten.

So, in 1923, It was Bertha's first-time leaving Chester and Ernest Oaten, assisted her on her stage presence after which her demonstration led to numerous bookings across northern England. She then also toured with Sir Arthur Conan Doyle under the watchful guidance of Sir Oliver Lodge. She became known for her in depth seances given while they travelled across Great Britain and when Sir Arthur Doyle passed to spirit seven years later in 1930, Bertha reported on his visits to her.

She made regular visits to London and was awarded a diploma of the Sspiritualist National Union and In 1940 she moved to London. It is said that a number of important people sought her advice during the war, such as King George of Greece, and Charles deGaulle and possibly a rumour; Sir Winston Churchill? (This information was taken from Encyclopedia.com.)

In 1949 Bertha became a minister with the Sspiritualist National Union and in 1953 was honored by her colleagues with an invitation to demonstrate her mediumship for the annual gatherings of the SAGB when the MSA, at 'The Royal Albert Hall, who held annual 'gatherings!' there.

At a time when mediumship was still illegal in England, and by comparison of time, not too long ago either, Bertha did not hesitate to defend her friend, Helen Duncan who was imprisoned under an act made in 1735 (WA) for practicing her spiritual/religious - beliefs. Bertha spent hours lobbying outside the 'Houses of Parliament' trying to get an amendment passed to correct the situation. And furthermore, descendants and campaigners for Helen Duncan, are still waiting for a resolution of a 'pardon.'

She was known as 'Battling Bertha' due to her readiness to defend any attack made on her convictions.

I found an article on the SAGB website regarding Bertha Harris that was published in Psychic News. In short it said that dduring her Sunday evening demonstration at the MSA - SAGB " Bertha Harris had given evidence of survival from spirit to a woman and the message ended with the fact that the woman had been in a muddle over money! Bertha told the lady that there was a gentleman in spirit putting a 'dunces' hat on her head', the woman replied, "I know I'm hopeless with money!"- and then Bertha gave her reassurance that the spirit is saying that he'll help 'you' to sort it out". The headline in PN read:

"Spirit Pushed Dunces Cap on her Head".

*Now isn't it quite reassuring that the spirit world is aware of what difficulties you might be facing and may guide you towards a solution?*

## SEVEN PRINCIPLES OF THE SAGB

We believe in an Infinite Intelligence,  
Who governs all.

We believe that personal identity and all sentient forms  
of life survive physical death.

We believe that continuous existence and eternal progress  
occur for all in the Hereafter.

We believe in communion with spiritual realms.

We believe that all humanity is spiritually linked.

We believe that in the Hereafter, all must account for  
their actions on earth and will judge themselves accordingly.

We believe that all are responsible for  
the way they conduct their earthly lives.

## OUR PHILOSOPHY AND PURPOSE

The primary purpose of the Association is to offer evidence, through  
mediumship, of the continuation of the personality after physical  
death and to relieve suffering through spiritual healing.

## **The Healing Hymn Gracious Spirit**

Gracious Spirit, of thy goodness  
Hear our anxious prayer  
Take our loved ones who are suffering  
'Neath thy tender care  
Loving Father hear us, hear us

Gracious Spirit may thy presence  
Shed a Healing Ray  
Turning all their nights of darkness  
Into glorious day  
Loving Father hear us, hear us

Gracious Spirit, should'st thou claim them  
Be their Light and Guide  
Lead them to the heavenly kingdom  
Safely by thy side  
Loving father hear us, hear us

### **Getting to the SAGB**

Getting to the SAGB has become a lot easier for those of us north of the river. At present I have to catch the Northern Line, change to the Victoria Line to Victoria Station and then catch a train to Battersea Park Station.

As of the end of September 2021 the Northern Line is running with four trains an hour on week-ends. This will mean, for me at least, that I can travel on the Northern Line from my home to Battersea Park on the same train. Thereafter it will be a short seven minute walk to the SAGB.

Now the extension Has opened there will be an initial peak of six trains per hour, increasing to 12 trains per hour During off-peak times there will be five trains per hour, doubling to 10

Helping to get to the SAGB (after all that is what counts, isn't it) it will help regenerate the Vauxhall, Nine Elms and Battersea areas by supporting new jobs, businesses and homes.
