

International Psychic Medium
Terri Stromeyer

The Progressive Unfoldment of
Your Mediumship

Sunday

12-2.30pm

Five classes £200 If paid in full £165 or 2 payments of £100

Class 1 March 29th

Psychic

- Understanding what Psychic means and the difference between intuition. A psychic uses their intuition to 'perceive' information about someone's past, present and potential future, or all three. By reading the sitter's energy field.
- Learn how to activate your awareness beyond your physical senses.
- Using the psychic ability enables us to springboard to mediumship where we 'receive' information from the spirit world.

Class 2 May 31st

Your Guides and helpers and their Role in Mediumship

- Getting to know your guides and their function in your development.
- Learn how your spirit guide can help you in your daily life.

- Learn the difference between Spirit guides, ascended masters, angels, and deceased loved ones, how they communicate, and how to be receptive to their frequency.

Class 3 June 21st

The Chakras & Auras and how they assist in Mediumship.

- The psychic centres, the function and role of the chakras and how they assist in mediumship.
- The Auric field, introduction to aura and understanding its function in mediumship.
- We'll look at the subtle bodies and learn how to raise your vibration to the frequency of the spirit world and blend with the communicator.

Class 4 July 26th

Connecting to Spirit

- Receiving and validating the evidence
- Building your confidence and learn how to improve the quality of the link and how to hold a link during communication and re-establish it if its lost.
-

Your Mediumnistic Strenghts

- Learn the difference between clairvoyance, Clairsentience and Clairaudience.
- Learn how to get the most information out of images and the understand the symbolic language given to you by spirit.

Class 5 23rd August

Psychometry, Photo and Flower Readings

Psychometry is a psychic ability in which a person can sense or "read" the history of an object by touching it. Psychometry is used in psychic archaeology and psychic criminology and is a very important part of Spiritualist training for the development of mediumship

- Learn how to psychometrise an object and how to read a photo of a loved one who has passed.
- Flower readings, what it means, how to interpret the flower and its symbolic meaning.

Please bring with you a piece of jewellery or sentimental keepsake, that has only belonged to you. Also, bring a memorable photo of a loved in spirit, and a fresh flower from your garden or picked by you from a florist.
