The Search for Peace and Healing Blossoms

Ursula Roberts

At this time of the year we may see or hear the eternal message ‘Peace on Earth, Goodwill to All Men’. All are welcomed to join Carol for this peaceful and thought provoking evening.

Come early and relax in our coffee lounge, which is filled with a wonderful, evocative collection of photographs of some of the early pioneers of the spiritualist movement.

Listen to the peaceful opening prayer from Ramadahn, the guide of Ursula Roberts, at the start of his talk on *The Search for Peace*, which includes:

What is the nature of peace?

Where does it come from?

What may we do to find peace within ourselves?

Ramadahn’s opening prayer prior to his lecture on *Healing Blossoms* conveys simple spiritual truths and blessings for all present; and his talk includes:

How the season of flowers can help us with healing on earth for ourselves and others.

What happens and how the spirit world help to heal the souls of newly arrived spirits.

The beautiful law and order in the coming of the time of the blossoms.
